By Road

RahuCat is conveniently located on Junction 27 of the M1. When travelling from North or South, take exit J27, signposted for Hucknall and Mansfield, and follow the direction boards to Sherwood Park which is located 1 mile to the East of the motorway. For ease of access, we recommend taking the second entrance to the Sherwood Park estate, also signposted to the Dakota Hotel.

Leave the main road at the roundabout (next to the Dakota Hotel on your left), drive 40m and turn left again into Lake View Drive. The H₂O complex is 400m along Lake View Drive on the right hand side. The offices are directly ahead of you and clearly visible.

By Train

Regular Intercity services operate between Nottingham and other main line towns - including over 40 trains daily to and from London St Pancras International, 90 minutes away. St Pancras International also provides direct access by Eurostar from both Paris and Brussels.

Once at Nottingham's railway station you are just 25 minutes away from the office by taxi.

Taxis are normally available from the station and the journey should cost around £20 - £25.
